Live Burn CE event

REGISTER HERE!

<https://www.eventbrite.ca/e/2018-live-burn-ce-event-by-knott-laboratories-presented-by-1-800-water-damage-of-colorado-springs-tickets-44573058217>

We have the unique opportunity to offer an educational seminar where live burns will be used to demonstrate concepts taught in the classroom. Featuring structure and vehicle fires, our engineering and restoration professionals will discuss fire science and fire restoration.

Seminar Information

Date: Wednesday, June 13, 2018
Time: 8:00 AM to 12:30 PM
Location: **Colorado Springs Fire Department Training Facility**
375 Printers Pkwy
Colorado Springs, CO 80910

Attendance is limited – please register as soon as possible.

Seminar is free for insurance professionals.

4 hours CE credit pending for Agents in CO, Adjusters WY and TX licensing.
